SUBJECT: ROCKY MOUNTAIN UNIVERSITY CONSORTIUM (RUMC) DOCUMENTS - LCM-0025-93

Attached for your review and information please find two new final RMUC reports. The Incremental Risk Assessment Methodology report was done under the guidance of Dan Shane of the Ecology and NEPA division of Environmental Protection. The report on the Proposed Subsurface Interim Measures/Interim Remedial Action Plan/Environmental Assessment and Decision Document was completed at the request of Tom Greengard of the Environmental Science and Engineering Division of ERM.

Copies of these two reports have been provided to the ERM library to be included as part of the library's expanding collection of reference documents.
